Thoughtful design and modern luxury are uniquely embodied in this 2 bedroom 2 full bath freestanding, spacious condo in Provincetown! This 1020 SF, immaculate 2 story condo exudes excellence! The focal point on the main level boasts a beautifully designed kitchen and a roomy dining/living area. Graced by its own propane fireplace, this will sure be the perfect setting for relaxing and entertaining. This unit offers recessed LED lighting, a Honeywell security system & a custom HD media wall, with in-wall speakers. The recently-renovated gourmet kitchen will inspire your inner chef with its beautiful granite, stainless steel appliances, and gas range! Open your double glass doors from your living room to enjoy your exclusive-use, bluestone patio surrounded by mature Arbor Vitae trees, beautiful arbor gates and its own custom waterfall with under-water LED lighting & fire urns! This fantastic condo also offers two generously-sized bedrooms with soaring ceilings and plenty of closet space! This unit is in pristine condition, lives like a single family residence and offers parking and a full basement with top-end, steam tech washer/dryer. Weekly rentals allowed and pets for owners.
